These results take into account those who set off at times other than the 9am group start and times have been adjusted for this. As with all events we have done our best to make sure these results are as accurate as possible but with so many finishers packing into the pub car park we are always going to make some mistakes. If you spot one please contact Andrew Wood on 01535 640430 or email, andrew.wood@suerydercare.org . Thank you for your support. Andrew.
